## **Section VI. Complementary information**

### **VI.3) Additional information**

- This is a Provider Selection Regime (PSR) intention to award. The awarding of this contract is subject to the Health Care Services (Provider Selection Regime) Regulations

2023. For the avoidance of doubt, the provisions of the Public Contracts Regulations 2015 do not apply to this award. The publication of this notice marks the start of the Standstill Period.

- A Standstill Period is now in force pursuant to Regulations 12 and 14(3) of the PSR Regulations 2023; this period will end at midnight on 22 July 2024 and NHS North West London ICB will not enter into a contract pursuant to the award to the provider under direct award process C before this date.
- Representations by providers must be made to decision-makers by midnight on 22 July 2024 (8 working days following publication of this intention to award notice). Should providers wish to make a representation please submit to [helen.hewitt11@nhs.net](mailto:helen.hewitt11@nhs.net). This contract has not yet formally been awarded; this notice serves as an intention to award under the PSR.
- The relevant authority's governance/decision-making panel are making the award decision
- The relevant authority has taken into account the 5 Key Criteria and applied the basic selection criteria. The rationale for the relative importance of the Key Criteria is to ensure service continuity will be maintained for this group of patients through a service which is clinically effective, safe and timely. Enhanced patient experience as patients would not be moved around to yet another provider within 12 month period. The rationale for choosing the provider is that there is confidence that the provider is likely to satisfy future performance against the new contract at a cost effective price against the Key Criteria (service model, clinical governance, service innovation, monitoring the quality of the service provision, value, reduce health inequalities, improving access, service sustainability, social value and good practices identified).
- There are no declared or potential conflicts of interest of individuals making the decision
