Other activity

Railway

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Eastern Region Level Crossing Lift and Replace Framework

II.1.2) Main CPV code

- 45234140 - Level crossing construction works

II.1.3) Type of contract

Works

II.1.4) Short description

This activity is for pre-market engagement request for information (RFI) only.

Eastern Region Level Crossing Lift and Replace Framework

The Works generally comprise (but not limited to) taking up and carefully setting aside on site, level crossings of various proprietary and non-proprietary composite constructions to allow for rail maintenance work to take place. Then on completion of the maintenance work by others, later taking from store and reconstructing the level crossing, re-setting to line and level, return crossing to safe road and rail traffic use at the respective road and rail speeds.

Works for renewal to include removing cill beams, removing tarmac, removing anti peds, removing deck units, reinstating and renewal of level crossings and tarmac approaches including associated white lining, by installing new cill beams, new deck units and renew tarmac (predominantly stop line – stop line), though may be beyond, depending on Nairns profiles.

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 45233223 - Carriageway resurfacing works

- 45233251 - Resurfacing works

II.2.3) Place of performance

Section VI. Complementary information

VI.3) Additional information

Please note this activity and any communication from it will cease immediately should a formal competition be announced.

Network Rail is committed to ensuring fairness, openness and transparency, and to following UK procurement regulations. The Periodic Indicative Notice is issued solely for the purpose of conducting pre-procurement market engagement via a request for information and does not constitute any commitment to undertake any procurement in the future. Interested parties will not be prejudiced by any response or failure to respond to the PIN event and a response to this PIN does not guarantee any invitation to participate in this event or any future procurement.

This PIN does not constitute a call for competition to procure any services, supplies or works mentioned in this PIN and Network Rail will not accept any proposals offered in response to this PIN.

Network Rail is not liable for any costs, fees, or expenses incurred by any party in replying to or attending any PIN event.

Any procurement of any services, supplies or works by Network Rail will be carried out strictly in accordance with the provisions of the Utilities Contracts Regulations 2016.

Any questions or clarifications in respect of this RFI should be addressed to Charlotte.davis@networkrail.co.uk.

Network Rail would like to thank you in advance should you wish to respond to this Request for Information.
