I.3) Communication

Additional information can be obtained from the above-mentioned address

I.4) Type of the contracting authority

Ministry or any other national or federal authority

I.5) Main activity

Defence

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Ministry of Defence Method of Entry Training Rig

Reference number

DNO/228

II.1.2) Main CPV code

- 35200000 - Police equipment

II.1.3) Type of contract

Supplies

II.1.4) Short description

The Ministry of Defence Police (MDP) require a Method of Entry (MoE) rig, that the Police MoE instructors will deliver training on. This training will be in line with the College of Policing - National Police Firearms Training Curriculum (NPFTC) and will be delivered by suitably qualified police trainers only.

The link to the curriculum is here: <https://www.college.police.uk/app/armed-policing/national-police-firearms-training-curriculum>

The supplier will fit and service the MoE rig, whilst MDP instructors will deliver the MoE training. To meet the MDP Learning Outcomes and Assessment Criteria within Firearms Method of Entry Level 1 (Standard) and Level 2 (Advanced), there must be a minimum number of doors and other associated furniture to meet the requirements in an efficient and capable way.

This requirement is expected to be above PCR 2015 threshold and to last for at least 5 years. A service plan will be included within this contract, details will be provided within the tender documents.

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 35200000 - Police equipment

II.2.3) Place of performance

NUTS codes

- UKK - South West (England)

Main site or place of performance

AWE Aldermaston

II.2.4) Description of the procurement

The MoE rig supplier must be able to provide a frame and all the doors as described in the scope of work and supporting tender documentation, whilst remaining efficient and economical with the dimensions and size of the rig. This is to enable the user to fit the rig into the designated venue/building whilst maintaining sufficient space to work around it effectively. Viewing can be arranged within the first 10 days of the ITT being released, and dimensions of building can be provided.

For effective longevity and consistency in training, the rig will need to be long lasting. We would expect the mainframe to endure a 15-year period of use. Throughout its life it will need to withstand high force impacts from kinetic, hydraulic, pneumatic and fuel powered equipment. The Rig must achieve the ability to withstand any degradation and fatigue when used as specified. The provider should have the capacity to provide their own expert personnel to regularly service and maintain the rig and its associated furniture.

II.3) Estimated date of publication of contract notice

11 August 2023

Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes
