## SUBMISSION OF EXPRESSIONS OF INTEREST AND PROCUREMENT INFORMATION

This exercise will be conducted on the HTE Bravo (Jaggaer) portal. Candidates wishing to be considered must register expressions of interest as follows: Register on the HTE portal at <https://healthtrusteurope.bravosolution.co.uk>. Login to the portal with username/password. Click the SQs/ITTs Open to All Suppliers link. These are the SQs/ITTs open to any registered supplier. Click on the relevant SQ/ ITT to access the content. Click the Express Interest button at the top of the page. This will move the SQ/ITT into your My SQs/My ITTs page. You can access any attachments by clicking Buyer Attachments in the SQ/ITT Details box. Follow the onscreen instructions to complete the SQ/ITT. Submit your reply using the Submit Response button at the top of the page. If you require any further advice, contact the Bravo e- Tendering Help Desk at [help@bravosolution.co.uk](mailto:help@bravosolution.co.uk). Sid4Gov HTE utilises the sid4gov supplier information database. Candidates should register on sid4gov at <https://sid4gov.cabinetoffice.gov.uk/organisation/register> and submit their sid4gov company profile for publication on the database. Candidates already registered on sid4gov must ensure information is up to date. Where access to sid4gov is unavailable, please contact the sid4gov helpdesk at [sid4gov@gps.gsi.gov.uk](mailto:sid4gov@gps.gsi.gov.uk). Please note that sid4gov does not prepopulate any fields of the SQ on HTE's Bravo portal. Candidates must complete the Qualification & Technical Envelopes of the SQ in Bravo in full.

Text

This Lot enables healthcare providers to insource the full range of elective Surgical and Medical Specialties offered under the NHS Tariff Payment System. Clinical experts will be deployed in existing departmental structures where Spare Capacity is identified by a healthcare provider. Typically, clinical experts will operate during the night and at weekends. Tenderers must be able to support healthcare providers in:

- Reducing waiting lists to achieve UK Government and Department of Health targets by maximising the use of internal spare capacity;
- improving the management of patient flow so that resources for care co-ordination are better directed; and
- Providing a patient-focussed and Consultant-led insourced solution.

Text

This Lot enables healthcare providers the ability to monitor patient health data outside of a clinical setting. The devices and/or systems under this Lot must have the capability to collect data and promptly translate into a useable format that assists caregivers in deciding the appropriate course of action, and in addition provide a reporting service which is bespoke to the Participating Authority's requirements.
