Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.1) Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions

Economic operators must be enrolled in the relevant professional or trade registers kept in the member state of its establishment (as described in Schedule 5 of the Public Contracts (Scotland) 2015) (e.g. registered under Companies House). Economic operators should provide details under SPD Question ref 4A.1.

III.1.2) Economic and financial standing

List and brief description of selection criteria

Economic Operators shall be required to satisfy minimum standards of economic and financial standing. To determine these standards, Economic Operators shall:

(a) in response to SPD, Question Ref. 4B.1a provide the specified annual turnover for the last two years of trading, or for the period which

is available if trading for less than two years;

(b) in response to SPD, Question Ref. 4B.6 provide the name, value and/or range of NINE financial criteria for the last two years of

trading, or for the period which is available if trading for less than two years; and

(c) in response to SPD, Question Ref. 4B.5 confirm they already have or can commit to obtain, prior to commencement of the contract the required levels of insurance. In addition to the information requested under (a) and (b), economic operators are required to provide a link/copies of the associated annual accounts as filed at Companies House (or equivalent if not a UK registered company) for the last two years of trading, or for the period which is available if less than two years. This information has been requested to enable Transport Scotland to perform their own assessment and confirm the financial ratios submitted. Ultimately, ensuring the correct score is allocated, and to ensure no misinterpretation. Where there exist differences in ratios, between those provided and those calculated by Transport Scotland, clarification will be sought.

Minimum level(s) of standards possibly required

Economic operators shall be required to satisfy minimum standards of economic and financial standing. These are described below:

Evaluation Criteria Ratios (Question Ref. 4B.6)

The financial information received under SPD, Question Ref. 4B.6 shall be evaluated and scored out of 50 by allocating a score against nine individual economic and financial standing evaluation criteria, namely:

1. Acid Test Ratio
2. Cash Interest Cover Ratio
3. Return on Capital Employed
4. Operating Profit Ratio
5. Net Worth
6. Gearing
7. Annual Contract Value to Turnover
8. Filed Accounts
9. Audit Report

The individual scores shall be weighted , with the most recent (“Year 1”) financial statements weighted at 67% and the previous (“Year 2”) statements being weighted at

33%, to form an aggregated score for each of the nine criteria over the two years.

The maximum cumulative score resulting from the summation of the nine economic and financial standing aggregated scores shall be 50 marks. A submission shall be marked as a FAIL and will not be considered further if the score achieved by a Single Economic Operator or a Group of Economic Operators is less than 50 percent of the available marks. The scoring mechanism can be downloaded via the Public

Contracts Scotland portal www.publiccontractsscotland.gov.uk.

Where the submission has been submitted by a Group of Economic Operators, the information submitted by each Group Member will be evaluated in the proportion of the percentage shareholdings or percentage equity/interest of each Group Member and a score determined for such Group of Economic Operators on that basis.

Insurance (Question Ref. 4B.5)

In response to Question Ref. 4B.5 Economic Operators must confirm they already have or can commit to obtain, prior to the commencement the following levels of insurance:

Employer's Liability Insurance = 5 000 000 GBP

Public Liability Insurance = 5 000 000 GBP

Professional Indemnity Insurance = 5 000 000 GBP

In responding to Question Ref. 4B.5a, 4B.5b and 4B.5c of the SPD, where the bidder ticks the box "No, and I cannot commit to obtain it"

they shall be marked as FAIL.

III.1.3) Technical and professional ability

List and brief description of selection criteria

The selection criteria are set out in the SPD, Part IV Selection Criteria, section 4C Technical and Professional Ability and section 4D Quality Assurance Schemes and Environmental Management Standards. The requirements relate to:

- Relevant examples of work (including SCORED AND WEIGHTED) statements of bidders' experience) [SPD 4C1]
- Educational and professional qualifications [SPD 4C6]

- Quality assurance [SPD 4D1]
- Environmental Management [SPD 4D2]

The Scottish Ministers additionally require bidders to respond on health and safety management standards.

Minimum level(s) of standards possibly required

The minimum standard are set out in the SPD, Part IV Selection Criteria, section 4C Technical and Professional Ability and section 4D Quality Assurance Schemes and Environmental Standards.

Selection criteria are marked as PASS/FAIL, with the exception of the SCORED AND WEIGHTED statements of bidders' experience. Full details are given in the SPD.

VI.3) Additional information

Transport Scotland will conduct the proposed procurement process for the Contract on behalf of the Scottish Ministers. In the event of the conclusion of the contract, it is the intention that the Contract will be entered into between the Scottish Ministers and the 3 most economically advantageous tenderers. Each selected economic operator shall be invited to submit a Tender on the same contract terms. The submission, comprising the completed SPD, shall be submitted via the Public Contracts Scotland portal, by no later than 12:00hrs BST on 27 September 2021.

Economic Operators are advised to allow adequate time for uploading documents and to dispatch the electronic response well in advance of the closing time to avoid any last minute problems. The Scottish Ministers shall not evaluate any submission received past the specified deadline, unless the delay is caused by a situation out with the control of the economic operator, the determination of which shall be at the sole discretion of the Scottish Ministers. Compliance with achieving the specified deadline is the sole responsibility of the economic operator.

Economic operators which alter their composition after making a submission will be the subject of re-evaluation. Any request by Economic Operators for clarification of any part of the documentation shall be made through the Public Contracts Scotland website. The deadline to submit questions relating to the submission via the Public Contracts Scotland portal is 12:00hrs BST on 15 September 2021.

For this procurement suppliers will be required to undertake a cyber security assessment. This will be conducted using the public sector Cyber Security Procurement Support Tool (CSPST) and more details are contained in the accompanying Supplementary Information Document (SID).
