Our pupils are rightly ambitious and they go on from our Sixth Form to the UK's top universities or to apprenticeships in some of the country's leading companies. We are seeking a suitably experienced contractor who has current experience of working within the secondary school market place, ideally with a strong operational base within the Birmingham or Midlands area, thus allowing for both adequate contract support and operational flexibility that is to be delivered to support the contract as and when required moving forwards into this contract term.

The scope of the contract covers all cleaning provision within the School buildings. The successful contractor will be expected to deliver a concise and detailed method of management reporting at the end of each month thus updating the senior management team within the School on the contract performance.
