### **II.2.4) Description of the procurement**

We want to support the councils 2030 Community Vision (Community vision for Surrey in 2030 - Surrey County Council (<https://youtu.be/oDW9SqYbRJs>) in which 'no one is left behind'. An element of the Vision is that communities are welcoming and supportive, especially of those most in need, and people feel able to contribute to community life.

Surrey County Council have reviewed the current community-based services that support people with eligible social care needs to live active, full lives, within their communities.

The identified needs for the provision of a range of outcomes-based community services that support people with their everyday life skills. The council is seeking to work with a range of service providers with experience and expertise in providing person centered and strength-based support to individuals from one or more of the following primary adult user groups of all ages : (may not be limited to)

- Learning Disabilities
- Physical Disabilities
- Autism or other Neurodivergence
- Mental Health
- Sensory Impairment
- Brain Injury / Neurological Condition
- Multiple Diagnosis (of any of the above)

Market Engagements
