Reference number

Bravo 39870

II.1.2) Main CPV code

- 79410000 - Business and management consultancy services

II.1.3) Type of contract

Services

II.1.4) Short description

Network Rail Wales & Western region is seeking to procure a new framework which replaces its existing commercial services framework.

The new Contract Management Services framework is proposed to operate with 2 suppliers, one for each lot as outlined below.

Lot 1 Portfolio Supplier would cover multi-discipline services for all aspects of pre & post commercial, project management, programme controls, planning, and risk disciplines.

Lot 2 Specialist Supplier would cover, but not limited to, claims management, forensic investigation & analysis, and auditing scopes. SMEs are preferred for this Lot.

The new framework will be run for an initial three year period, it may be extended further by 2 x 1 year increments.

The new framework is anticipated to go live by 1st March 2025 at the latest and will be a zero value commitment framework.

Candidates cannot apply for both Lots; Candidates may apply for one lot only.

Network Rail reserves the right, to award the tender requirements in part or in full.

II.1.5) Estimated total value

Value excluding VAT: £20,000,000

II.1.6) Information about lots

This contract is divided into lots: Yes

Maximum number of lots that may be awarded to one tenderer: 1

The contracting authority reserves the right to award contracts combining the following lots or groups of lots:
