Following the feedback in the initial Request for Information for this service (published 20th June 2022), a further Request for Information is being issued with a revised financial envelope and updated service specification. The Contracting Authority is issuing this Prior Information Notice (PIN) as a Request for Information (RFI) to engage with the market and to gather information in order to gain a better understanding of both the capacity and appetite of the market in delivering the proposed services.

It is important to note that this PIN/RFI is not a call for competition and as such you will need to express your interest in any future tender opportunity once the contract notice is published on Find a Tender and Contracts Finder.

It should also be noted that this PIN/RFI invites individuals and organisations to express an interest in this RFI exercise only, and it is NOT a pre-qualification questionnaire, and is NOT part of any pre-qualification or selection process.

This PIN/RFI is intended as an awareness, communication, and information gathering exercise. An expression of interest is no indication of a commitment to participate in the RFI process nor does it infer any preferential or special status on those individuals and organisations who express an interest in the RFI exercise.

NECS is utilising an electronic tendering portal (In-Tend) to manage this RFI and as such interested individuals and organisations will need to register on the portal to access the RFI documentation and return their completed RFI documentation.
