Pipeline

Food Waste Collection

Newcastle City Council

UK1: Pipeline notice - Procurement Act 2023 - [view information about notice types](#)

Notice identifier: 2025/S 000-021228

Procurement identifier (OCID): ocds-h6vhtk-0512ff

Published 14 May 2025, 12:41pm

Scope

Description

The Council requires a contractor to provide (1) locations within or close to the City where food waste collected by the City Council can be deposited, (2) if the deposit location is not at the treatment facility, the Council requires the contractor to bulk haul deposited food waste to a treatment facility and (3) to provide a treatment facility which is capable of processing the collected food waste by Anaerobic Digestion. The Anaerobic Digestion Facility must be accredited to BS PAS110 and must treat the food waste in a manner that is compliant with relevant Animal By-Product Regulations.
