II.1.4) Short description

Sandwell Metropolitan Borough Council invites tenders for the provision of a Wrap Around Service. The Council has committed with its health partners to provide a short-term Wrap Around Service to people who require care in their own home. This commitment is to ensure that people in the community are supported in their own homes to remain independent or to support a person being discharged from hospital who may need support whilst longer term arrangements are being established. The principle of the service is to ensure people's independence is maximised and individuals are not formally entered into the care and support system unnecessarily. The aim of the service is to promote a Home First ethos and support individuals to remain in their own homes by providing Care Workers at short notice, and within an hour of contact, to step in and prevent community crisis, and provide care and support to enable an assessment of an individual's needs, for up to 72 hours. This may include offering day and/or night sits to support a person for up to 72 hours. The Wrap Around Service will enable people with or without assessed needs under the Care Act to have access to a short-term provision (up to 72 hours) to support them to continue to live independently in the community or prevent a hospital admission whilst longer term needs are being assessed. Organisations with the capability to provide a service at short notice, and within an hour of contact, for extended periods where day or night sits may be required, are invited to tender. The total cost is estimated to be £457,531.20 per year subject to referrals being received that match predictions and any potential uplift in care costs.

VI.3) Additional information

Participants are advised that as the services sought pursuant to this notice are adult social services and therefore subject to the "light touch regime" as set out in regulations 74-77 of the Public Contracts Regulations 2015 it is not subject to the full obligations of the Procurement Directive but are nonetheless subject to the general obligations of transparency, equal treatment and non-discrimination. Participants should not infer from any references to the authority using a process or tender documents which are similar to one of the mandatory procedures that the authority is following one of those procedures. The authority is following its own tender process akin to the open procedure for this procurement. The authority reserves the right to award the contract in whole or part, to cancel or amend the tender process, not award the contract in whole or part, and does not bind itself to accept any tender. The authority reserves the right to make any changes it sees fit to the content and structure of the procurement competition and shall not be liable in any circumstances for any costs, or expenses incurred by any economic organisation in responding to this notice or in tendering for the contract. The contract is for an initial term of

1 year (06.11.23 - 05.11.24) with the option to extend for a further 1-year period until 05.11.25. Potential suppliers should note that in accordance with UK Government's policies on transparency the authority may decide to publish the ITT and other tender documents and text from the contract awarded subject to possible redaction at the discretion of the authority. To comply with the public sector equality duties the successful contractor will be expected to comply with the equality and diversity legislation in executing this contract. As a minimum standard the

authority utilises the common standard for equalities in public procurement. If you are not currently subject to UK legislation, documentary evidence of your compliance of equivalent

legislation which is designed to eliminate discrimination and to promote equality of opportunity in the Country where you are registered will be required. Under this procurement, the contractor will be required to support the Public Services (Social Value) Act 2012. The contract mainly reflects services currently being provided by existing organisations, and therefore the EC Acquired Rights Directive 2001/23/EC as amended and/or the transfer of undertakings (protection of employment) Regulations 2006 (TUPE) may apply to this contract. TUPE information will be made available to those organisations who complete and return a signed data processing and confidentiality agreement, we

request these are submitted at the earliest opportunity through a correspondence on the

Intend procurement portal.

This opportunity will not be split up into multiple lots. This decision was made because lotting of areas may lose potential economies of scale and therefore value to the contracting authority.
