VII.2) Information about modifications

VII.2.1) Description of the modifications

Nature and extent of the modifications (with indication of possible earlier changes to the

contract):

Continuation for an additional 30 months of the Building Materials Supply Partner described above.

VII.2.2) Reasons for modification

Need for modification brought about by circumstances which a diligent contracting authority/entity could not foresee.

Description of the circumstances which rendered the modification necessary and explanation of the unforeseen nature of these circumstances:

Need for modification brought about by circumstances which a diligent contracting authority/entity could not foresee (Art. 43(1)(c) of Directive 2014/23/EU, Art. 72(1)(c) of Directive 2014/24/EU, Art. 89(1)(c) of Directive 2014/25/EU).

- 1.The current high (and fluctuating) rate of inflation which makes it disadvantageous to the authority to re-procure at this time;
- 2.Ongoing fluctuations in the market price of building materials caused by shortage of supply of some materials; and
- 3.resourcing and other issues resulting from dealing with the Covid pandemic and its aftermath, the consequential effects of which have meant that, through focusing on other higher priority tasks, there is now insufficient time and resource to run a full re-procurement and manage a handover to a new contractor before the expiry of the contract term.

VII.2.3) Increase in price

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £70,000,000

Total contract value after the modifications

Value excluding VAT: £90,000,000
