Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Business Continuity Planning System

II.1.2) Main CPV code

- 72000000 - IT services: consulting, software development, Internet and support

II.1.3) Type of contract

Services

II.1.4) Short description

The Business Continuity Planning Improvement project vision is to develop and or deploy an IT tool, to streamline the business continuity planning process and enable more efficient reporting on business impacts and continuity during an incident. The main functions of the new IT tool will be to undertake a Business Impact Analysis, generate Business Continuity Plans, enable reporting on the continuity status of business activities during an incident, and provide high level reports on the business continuity management system.

Prospective tenders are requested to read the prospectus in the "more information" section and follow the instructions for responding. EA may then contact prospective tenderers to discuss their responses in further detail.

Section VI. Complementary information

VI.3) Additional information

This notice and the associated prospectus are written and provided in good faith; the EA reserves the right to alter any aspect of this document, or to not proceed with the procurement in any way. This notice summarises certain aspects of the procurement but does not purport to contain complete descriptions of it, nor to be all inclusive or contain all the information that a prospective tenderer may require when determining whether to take part in this market engagement process. No representation or warranty, express or implied, is or will be made, and no responsibility or liability is or will be accepted by the EA or any of its advisors as to the accuracy, adequacy or completeness of the information within this notice and the associated prospectus. This notice and the associated prospectus are not intended to form the basis of any investment decision or other evaluation by the recipient(s) and does not constitute and should not be considered as a recommendation by any person. The EA shall not be liable for any costs or expenses of any prospective tenderer in relation to any matter in connection with this market engagement process, howsoever incurred.
