Railway Services

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Premarket Engagement - Building Management Systems upgrade

II.1.2) Main CPV code

- 48000000 - Software package and information systems

II.1.3) Type of contract

Supplies

II.1.4) Short description

The purpose of this PIN is to engage with the supply base relevant to the upgrading of the Building Management System (BMS) at Network Rail's Quadrant office building in Milton Keynes to understand the offerings currently available in the market to further Network Rail's understanding of the sector.

Network Rail is looking to commence a project in the third quarter of the calendar year

2022 to upgrade the BMS at it's 37,000 square metre Quadrant MK office building with the work consisting of upgrading the existing Trend software, upgrading the software/hardware interface and the building's hardware to ensure compatibility with the upgraded software. This PIN aims to inform Network Rail of current market capability and it's understanding of what scope of services will provide an optimal solution for the upgrade.

Responding to this PIN

To assist Network Rail in the process, please email PIN.Response@networkrail.co.uk by Wednesday 10th August 2022 to express your interest, outlining the services you can offer in respect of this project (maximum of 250 words), titling your email 'Network Rail Quadrant BMS PIN'.

Network Rail may request further engagement with suppliers who respond to this PIN, where additional information or clarifications would help provide further insight to the response already provided.

All information requested in this PIN will remain confidential and will not be disclosed to any third parties.

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 31000000 - Electrical machinery, apparatus, equipment and consumables; lighting

- 48000000 - Software package and information systems

- 50700000 - Repair and maintenance services of building installations

- 51000000 - Installation services (except software)

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

Main site or place of performance

Milton Keynes

II.2.4) Description of the procurement
