Thurrock Council plans to run a new procurement exercise in 2023/24 in accordance with the Public Contracts Regulations 2015. The works and services would comprise all the works required to maintain Thurrock's housing stock, including responsive repairs, void refurbishment works, disrepair, planned and capital, cyclical maintenance and all other compliance services.

The procurement of the Delivery Partner and Management Partner are anticipated to be carried out separately, in parallel and following a Competitive Dialogue procedure to ensure the Model operates as intended.

Thurrock aims to award a contract to the successful tenderers in September 2024, with the mobilisation of the Works over a five month period to a contract start date of 1st March 2025.
