II.1.4) Short description

Weeley Parish Council is seeking tender submissions / quotations from suitably qualified and insured contractors / manufacturers to install new play equipment at their village hall playground.

It is a busy playground and open space with many residents using the area weekly and / or more frequently. Our village hall is located on the site and is also a busy well used facility. Our existing playground, although well used, is now becoming tired and dated and we seek designs that will modernize and improve our recreational offer to our residents. We welcome an inclusive consideration to the design.

Experienced play area installers are invited to tender for the contract. It is anticipated that construction will be carried out during the Autumn of 2023. The exact timescale will be agreed between the Council and the preferred contractor following award of the contract.
