II.2) Description

II.2.3) Place of performance

NUTS codes

- UKE44 - Calderdale and Kirklees

II.2.4) Description of the procurement

The authority is seeking to secure the provision of a 12 Lead ECG Remote

Interpretation Service, by commissioning this service, it is anticipated that the following outcomes will be achieved:

- Improved clinical outcomes for service users
- Improved service user experience of cardiac care
- Delivery of a fast, comprehensive service that is cost effective
- Freeing-up of clinician time in general practice
- Surety that ECG readings are interpreted by subject experts, whereas GPs may not see ECGs regularly enough to confidently interpret the hundreds of possible variations
- Avoidance of unnecessary referrals of service users to secondary care
- Consistency of service provision across Kirklees.

1.3 The clinical objective of the service is to provide service users access to ECG testing, interpretation and reporting within a primary care setting to ensure prompt diagnosis and condition management.

II.2.5) Award criteria

Price

II.2.11) Information about options

Options: No
