VII.2) Information about modifications

VII.2.1) Description of the modifications

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

This modification is to increase the contract value

VII.2.2) Reasons for modification

Need for modification brought about by circumstances which a diligent contracting authority/entity could not foresee.

Description of the circumstances which rendered the modification necessary and explanation of the unforeseen nature of these circumstances:

: In accordance with Regulation 72(1)(c) where need for the change could not have been foreseen by a “diligent”

Department this modification is for an uplift to the anticipated contract value. The original estimated value of the contract was based

on market conditions and pricing at that time. Since then there has been the Brexit with unforeseen impact on this contract. where artefacts are stored is also infested which was difficult to manage pest control which has been difficult to irradiate.

VII.2.3) Increase in price

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £800,000

Total contract value after the modifications

Value excluding VAT: £995,000
