II.1.4) Short description

This Framework Agreement is to provide Staffordshire County Council with an agreed

schedule of rates for the renewal and repair of flat roofs on County Council owned buildings

throughout the whole county of Staffordshire. This includes County Council offices, Schools

and Academy buildings.

The term flat roof could mean any roof up to a pitch of 15 degrees and the roofs being worked

on could be of a steel, timber or concrete construction. Most roofs will be single storey or two storey structures with the occasional three and four storey buildings. The work/service will generally consist of providing a responsive maintenance service for carrying out patch repairs to flat felt and asphalt roofs and for providing a comprehensive service to renew the

roof finishes to roofs that have been identified as requiring repair through condition surveys

and asset management plans.

The work will be to carry out traditional built up felt roofing with either pour and roll or torch on systems and cold applied adhesive system and occasional liquid applied systems.

Individual projects will include all labour and associated works, for example, renewal of roof

lights, scaffolding, perimeter protection, site compounds, welfare facilities and waste

management as a minimum. There will be a great emphasis placed on associated Health and

Safety issues.
