IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

LHP are looking to renew our Azure hosting services and support. This needs to be a 24/7 service where we can raise a support request quickly to Microsoft in the event of an incident or issue.

We have done a search via G-Cloud to identify appropriate suppliers who offer this (ANS Group, VE3 Global and JUNGLE IT). Whilst the other providers mention they support Azure Infrastructure as a Service (IaaS) and Platform as a Service (PaaS) they don't mention the 24/7 support for the services. The listing under JungleIT for the response times for tickets looks to fit the requirement for LHP better.

Direct award to JUNGLE IT via G-CLOUD framework.
