This is a Provider Selection Regime (PSR) confirmation of contract award notice. This contract has been awarded under the Health Care Services (Provider Selection Regime) Regulations 2023. For the avoidance of doubt, the provisions of the Procurement Act 2023 do not apply to this award. This contract has now been formally awarded using direct award process C.

The dates between which the services are intended be provided are 1 April 2025 to 31 March 2027.

The contract is on a cost and volume basis.

A provider representation was received during the standstill period. A Provider Representation Panel was convened. The membership of the panel was in line with the approved Terms of Reference. No conflicts of interest were identified.

Following the review, the Panel concluded that it was satisfied the ICB had applied the regime correctly and made the appropriate provider selection decision.
