### **Scope**

### **Reference**

Stepney Green

### **Description**

The Industrial Dwellings Society is seeking to procure a suitably qualified and experienced principal contractor to undertake a comprehensive major works programme at Stepney Green Court. The works are to be delivered under the JCT intermediate Building Contract with Contractor's Design and will include both refurbishment and replacement elements across the estate.

The contractor must as a minimum possess PAS2030 and relevant SIPP accreditation.

Scope of Works:

The project comprises, but is not limited to, the following key elements:

Full replacement of pitched and flat roof coverings (Redland and Langley systems)

Replacement of all windows and external doors, including timber sash and casement windows

Design and installation of new Automatic Opening Vents (AOVs) to communal stairwells

Design and installation of a new PAC 512-compliant door entry system

External fabric repairs including brickwork, concrete, and stone repairs

Redecoration of all previously painted external surfaces

Internal fire stopping and compartmentation works

Internal redecoration of communal areas with fire-rated coatings

Replacement of floor finishes to communal areas

Refurbishment works to the boiler house, laundry room, community hall, and bin stores

Removal of redundant cabling and re-routing of live services

Asbestos surveying and removal (as required).

Further description of the works is set out in the notice and tender documentation.

Provisional pricing is also required for two additional sites for which detailed specifications are not available. The provisional pricing is intended to assist the Client in budget forecasting and assess the Tenderer's approach to similar works under comparable conditions. The provisional prices submitted under this clause are non-binding and will not form part of the Contract Sum. Final pricing for these sites will be subject to a separate agreement once full specifications are issued.
