# Section III. Legal, economic, financial and technical information

## III.1) Conditions for participation

#### III.1.2) Economic and financial standing

List and brief description of selection criteria

Tenderers are required to have a minimum "general" annual turnover of as below for the last two financial years.

Where tenderers are applying for multiple lots their expected turnover should be the cumulative value of the above relevant requirements.

Minimum level(s) of standards possibly required

Tenderers are required to have a minimum "general" annual turnover of GBP70,000 for the last two financial years. Where a Tenderer does not have an annual turnover of this value, the Council may exclude the Tenderer from the competition or may apply discretion seeking supporting evidence to determine the Tenderer's suitability to proceed in the competition.

The formula for calculating a Tenderer's current ratio is current assets divided by current liabilities. The acceptable range for each financial ratio is greater than 1.10 for the current and previous years. Where a Tenderer's current ratio is less than the acceptable value, the Council may exclude the Tenderer from the competition or may apply discretion seeking supporting evidence to determine the Tenderer's suitability to proceed in the competition.
