I.6) Main activity

Other activity

IT Services

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Customer Solution Transformation - SSE Airtricity

Reference number

2159

II.1.2) Main CPV code

- 72000000 - IT services: consulting, software development, Internet and support

II.1.3) Type of contract

Services

II.1.4) Short description

SSE Airtricity are transforming its business with ambition to becoming the leading digital energy company on the island of Ireland. Key to this ambition is the transformation of business operations delivering a lower energy cost to our customers through the implementation of technologies that will deliver best in class customer experience, industry leading cost to serve, and providing the foundation for future products and services. These services will include energy, energy management, energy services and digital services; helping customers on the journey to Net Zero. This notice opportunity is for the selection of a partner to deliver the necessary technology and business change, by replacing existing business systems and processes, including CRM, billing, sales, marketing and customer portal alongside the transformation to a new target operating model. For details of the full requirement documents visit;

<https://sse.app.jaggaer.com/esop/guest/go/opportunity/detail?opportunityId=341>

II.1.5) Estimated total value

Value excluding VAT: £50,000,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 48200000 - Networking, Internet and intranet software package
- 48800000 - Information systems and servers
- 72222300 - Information technology services
- 72224000 - Project management consultancy services
- 72227000 - Software integration consultancy services
- 72250000 - System and support services
- 72322000 - Data management services
- 72500000 - Computer-related services
- 72600000 - Computer support and consultancy services

II.2.3) Place of performance

NUTS codes

- UKN - Northern Ireland

II.2.4) Description of the procurement

SSE Airtricity are transforming its business with ambition to becoming the leading digital energy company on the island of Ireland. Key to this ambition is the transformation of business operations delivering a lower energy cost to our customers through the implementation of technologies that will deliver best in class customer experience, industry leading cost to serve, and providing the foundation for future products and services. These services will include energy, energy management, energy services and digital services; helping customers on the journey to Net Zero. This notice opportunity is for the selection of a partner to deliver the necessary technology and business change, by replacing existing business systems and processes, including CRM, billing, sales, marketing and customer portal alongside the transformation to a new target operating model.
