II.1.5) Short description of the contract or purchase(s)

Babcock Land Defence Limited acting as agent to the UK Ministry of Defence ("the Authority") has under consideration a 7 year Framework Agreement for the Repair of Various Electrical Assemblies and Associated Items as fitted to a number of different vehicle fleets currently in service in the UK Ministry of Defence (MoD). These include but are not limited to Articles categorised within the 6 Lots as detailed in the attached NSN list.

Babcock Land Defence Ltd reserve the right to add further items of a similar nature to the contract post award.

The successful contractor(s) will be required to overhaul/repair Articles to OEM specifications with an accompanying Certificate of Conformance detailing results of any applicable output tests. The successful contractor(s) will be required to supply all spares/components necessary to undertake the repair/remanufacturing process. Successful contractor(s) will be expected to arrange the subsequent packaging to appropriate Military Packing Levels and deliver articles to the Authority post completion of remanufacture. Output Specifications (see attached for further information) will also be requested for each of the 6 Lots.

Those Invited to Tender will be provided a 3 year forecast of repair requirements for each NSN. Although this is the best indication of projected upcoming demand, it is nevertheless a forecast and therefore is subject to change.

Following the successful industry day in November 2020, we have taken in your feedback and expect to make a combination of volume and revenue commitments totalling in the region of £5M across the Lots set out below. The detail of volume and revenue commitments will be provided within the ITT documentation.

We hope the combination of forecasts, volume and revenue commitments enables suppliers to achieve greater efficiencies within their supply chains and workforce planning.

Drawings and/or associated specifications will be provided where available to issue as part of any eventual ITT.

To respond to this opportunity suppliers must read through this notice and complete the associated Pre-Qualification Questionnaire (PQQ).

The PQQ shall be assessed using the selection criteria given within the PQQ and within each question. It is the intention of the Authority to down select and Invite to Tender only those economic operators who successfully complete the PQQ, provide all mandatory information and are not subject to any mandatory exclusion.
