All hauliers must have a valid Waste Carriers Licence and either a valid SSIP or a completed H&S Questionnaire (Appendix 7).

1.7 It is anticipated that approximately 100 tonnes of residential waste will be available per week, however the Authority cannot guarantee that these volumes will not be reduced or be in excess of these anticipated amounts. During busy periods such as Christmas and New Year these volumes will be exceeded.

1.8 Further to 1.3, the Authority will conduct a review of the tonnage made available under the contract after the first 12 months of the contract. Prices quoted are fixed for each quarter and following this they are subject to indexation in accordance with the terms and conditions.
