Quality criterion - Name: Quality / Weighting: 60

Price - Weighting: 40

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Open procedure

Accelerated procedure

Justification:

SG is working with Ferguson Marine Port Glasgow (FMPG) a business wholly owned by Scottish Ministers] to understand what improvements and investment could benefit the shipyard to increase its productivity and competitiveness to support it in securing a sustainable future. This report will provide an independent assessment to support these considerations. FMPG is currently building two SG - funded ferries and is actively pursuing future contracts. A window of opportunity has been identified in the yard's current work programme when any improvements identified in this report could be undertaken at a time that minimises any impact on existing projects and is undertaken in advance of the next prospective vessels being built. In order to maximise the chances of alignment with this window of opportunity, and mitigate any negative impact on current or future projects, the Scottish Government is using the accelerated time limits permitted under the in respect of this procurement.
