## Scope

## Reference

PL25.006

## Description

Lincolnshire County Council (the Council) is seeking to procure Flood Telemetry Devices to enhance its flood monitoring, early warning, and operational response capabilities. The devices will be deployed across multiple sites to monitor real-time water levels, flow rates, and related environmental data in flood-prone locations. The Supplier is required to supply, install, and maintain the flood telemetry devices in 55 locations as outlined by the Council.

This procurement supports the Council's risk management strategy and community resilience planning, enabling proactive mitigation of flood-related risks to life, property, and infrastructure. The data collected will also empower the community to make their own decisions on flood prevention.
