II.1.4) Short description

NEPO is seeking to establish a multi-contractor, multi-lot framework agreement for civil engineering and infrastructure works.

It is anticipated that places of the resultant framework agreement will be awarded to a maximum of 6 primary suppliers and up to 4 contingency suppliers for lots 4,5,6,7,8,9 & 11, lots 1, 2 and 3 will be awarded to a maximum of 8 primary suppliers and 4 contingency suppliers and Lot 10 will be awarded to a single supplier. Lots are categorised according to the project value and the geographical location of the project.

Suppliers are required to tender in accordance with the criteria as stipulated for each individual lots.

Suppliers will be awarded positions on the framework agreement by applying their tendered ranked combined scores for quality and price against the published evaluation criteria.

This framework agreement provides a diverse range of civil engineering and/or infrastructure works. This can include individual projects, or programmes of work including:

- Capital highway/ infrastructure projects.
- Civils construction projects.

- Local road improvement / remodelling schemes.
- Groundworks and land remediation.
- Enabling works.
- Drainage works.
- Public realm works including paving.
- Repair, maintenance or restoration of structures.
- Flood and coastal risk management projects.
- Structures over or adjacent to significant watercourses.
- Civil Engineering in a marine environment including marine structures.
- Light rail and associated infrastructure schemes.
- Flood resilience schemes.

This list is not exhaustive and is intended to provide a general overview of the types of works that may be awarded. Due to the nature of civil engineering and infrastructure there may also be services provided under this framework agreement.

All works awarded will be at the discretion of the contracting authority and their internal procedures.

The opportunity can be accessed via the Open eTendering system. Suppliers wishing to be considered for this tender must submit tender documents through the Open eTendering System. If not already registered, candidates should register on the Open eTendering system at <https://www.open-uk.org>.

If you need technical assistance from the Open Support team, this can be requested via email at open.support@nepo.org.

PLEASE NOTE: Open is accessible 24/7 however, technical support is available Monday to Thursday 08:30 - 17:00 and Friday 08:30 - 16:30.

For guidance on how to submit your response through Open, please visit <https://www.open-hub.org/training> to access the available Training Guides.

NEPO does not give any guarantee and/or warrant the actual value of orders (if any) which will be placed with the successfully appointed suppliers by any contracting authority using the framework process and accepts no liability thereof.
