Scope

Description

The Foreign, Commonwealth and Development Office (FCDO) on behalf of the Secretary of State for Foreign, Commonwealth and Development Affairs have awarded a contract for the provision of ergonomic and DSE assessments. The contract was procured via Single Source Justification (SSJ) on the basis of urgency to meet legal duties of employers under health and safety law; protecting staff, contractors and tenants from the health risks of working with DSE. Urgency was imperative as the FCDO does not currently have staff trained in the UK or the resources to conduct these assessments.
