Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Pre-Market Engagement for Network Rail High Output Ballast Refurbishment

II.1.2) Main CPV code

- 50225000 - Railway-track maintenance services

II.1.3) Type of contract

Services

II.1.4) Short description

Network Rail High Speed Ltd is engaging with the market to conduct early supplier engagement through an online event to be held on 08 October 2021. This is for high output ballast refurbishment works on the high speed route.

Directly after the supplier engagement event there will be a PQQ issued for this procurement. This will be managed via bravo - <https://networkrail.bravosolution.co.uk>

Organisations should contact Richard.connolly@networkrail.co.uk no later than 12pm 01 October 2021 to register for the supplier engagement event.

For the sake of clarity, this notice is not a call to competition and no contract(s) will awarded to any supplier as a result of participating in this exercise.

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 50220000 - Repair, maintenance and associated services related to railways and other equipment
