the Authority is issuing this opportunity for both QTS and CNWL. Awarded suppliers will be authorised to provide services for both CNWL and QTS in connection with this 'Find a Tender Service Consultancy Framework'.

QTS was established in 2017 to manage the estates and facilities functions of CNWL across 150+ sites, and to market its services within the wider healthcare sector to deliver estates and facilities solutions across London and the South East of England.

CNWL remains QTS primary customer, and it engages QTS to deliver its annual capital programme of capital projects to its properties, with an average annual value of up to £15m.
