Scope

Reference

ST25-P111

Description

The Trust is undertaking a preliminary market engagement exercise to inform a potential future procurement of the Rehabilitation Engineering and Wheelchair Maintenance Service to Bowley Close Regional Rehabilitation Centre based at Guy's & St Thomas's NHS Foundation Trust. The service currently supports children and adults with complex and long-term physical disabilities across south east London and beyond. Key elements include the delivery, repair, configuration, maintenance (including emergency response), servicing for reuse, and technical rehabilitation engineering input for bespoke postural, mobility solutions, prosthetic, orthotic & assistive communication devices.

Total value (estimated)

- £6,000,000 excluding VAT
- £7,200,000 including VAT

Above the relevant threshold

Contract dates (estimated)

- 1 April 2026 to 31 March 2030
- Possible extension to 31 March 2032
- 6 years

Main procurement category

Services

CPV classifications

- 50421100 - Repair and maintenance services of wheelchairs
- 85111400 - Rehabilitation hospital services
- 85312500 - Rehabilitation services

Engagement

Engagement deadline

13 June 2025

Engagement process description

We are interested in speaking to providers who can offer the services we are seeking and ask that you respond directly to rebecca.mcmahon@gstt.nhs.uk providing information on the services your company provide and any experience in this area. The deadline for responses is 5pm on Friday 13th June. Any feedback received during this time will be used for information purposes only. Feedback will not be evaluated or scored, and it will have no bearing on any potential future tender exercise or contract award. Providing information at this stage will in no way obligate your organisation to tender. Conversely, failing to participate in this preliminary market engagement process will in no way preclude your organisation from participating in any potential future tender exercise. GSTT's intention is to reserve judgement on its route to market until after the conclusion of this market consultation phase of the project.

Participation

Particular suitability

- Small and medium-sized enterprises (SME)
 - Voluntary, community and social enterprises (VCSE)
-
