II.2.4) Description of the procurement

Currently Translink issues Corporate Footwear to staff numbers in the region of 4000 across 20 depots throughout Northern Ireland. Issue cycle frequencies are 12 months.

Each job role will have different requirements, therefore a range of footwear options will be requested, including but not limited to boots, shoes, trainers, male and female options, and half sizes where appropriate. The range should be breathable, oil resistant, waterproof/water repellent, shock absorbent, puncture-resistant, light-weight/composite, wide-fitting, and deemed to be comfortable.

Translink is undertaking this exercise prior to advertising an Invitation to Tender in Q4 2021 for the issue to staff of Corporate Footwear in November 2022. The purpose is to inform Translink of the impact on the industry as a result of the global Covid-19 pandemic, with particular focus given to alternative methods of sourcing, fulfilment, delivery, supply chain issues, streamlining of the current range and any relevant innovations in the market.

It is anticipated that meetings relating to the exercise will be held on Wednesday 15th September 2021.

Interested suppliers are requested to e-mail their expression of interest in attending a 30 minute virtual meeting on 15th September to:

Rachel Lemon, Procurement Projects Advisor at rachel.lemon@translink.co.uk

NO LATER THAN 14.00 hrs on Friday 10th September 2021.
