- 48330000 - Scheduling and productivity software package

II.1.3) Type of contract

Supplies

II.1.4) Short description

University Hospitals Birmingham NHS Foundation Trust (UHB) is seeking to engage with suppliers interested in its requirement for a Cardiology & Respiratory Speciality Scheduling & Waiting List Platform.

University Hospitals Birmingham NHS Foundation Trust (UHB), which manages and operates Queen Elizabeth Hospital Birmingham, Birmingham Heartlands Hospital, Solihull Hospital, Good Hope Hospital and Birmingham Chest Clinic, is one of the largest teaching hospital trusts in England, serving a regional, national and international population. The Trust is a regional centre for cancer, trauma, renal dialysis, burns and plastics, HIV and AIDS, as well as respiratory conditions like cystic fibrosis. It has expertise in premature baby care, bone marrow transplants and thoracic surgery and provides the largest solid organ transplantation programme in Europe. It provides a series of highly specialist cardiac, liver and neurosurgery services to patients from across the UK.

Suppliers who are able to offer solutions relevant to this requirement are invited to express an interest and respond to a market engagement questionnaire. Further details on how to do this are contained within the additional information section of this notice.

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 48211000 - Platform interconnectivity software package
- 48311000 - Document management software package
- 48332000 - Scheduling software package
- 48613000 - Electronic data management (EDM)
- 48814000 - Medical information systems

II.2.3) Place of performance

NUTS codes

- UKG31 - Birmingham

II.2.4) Description of the procurement

University Hospitals Birmingham NHS Foundation Trust (UHB) is seeking to engage with suppliers interested in its requirement for a Cardiology & Respiratory Speciality Scheduling & Waiting List Platform.

University Hospitals Birmingham NHS Foundation Trust (UHB), which manages and operates Queen Elizabeth Hospital Birmingham, Birmingham Heartlands Hospital, Solihull Hospital, Good Hope Hospital and Birmingham Chest Clinic, is one of the largest teaching hospital trusts in England, serving a regional, national and international population. The Trust is a regional centre for cancer, trauma, renal dialysis, burns and plastics, HIV and AIDS, as well as respiratory conditions like cystic fibrosis. It has expertise in premature baby care, bone marrow transplants and thoracic surgery and provides the largest solid organ transplantation programme in Europe. It provides a series of highly specialist cardiac, liver and neurosurgery services to patients from across the UK.

It has more than 700 IT systems, ranging from bespoke data capture applications used by individuals to medical device integrations and enterprise-wide resource planning solutions. The estate comprises over 900 servers (physical and virtual) and 20,000 desktop and mobile computer devices spread over multiple locations including cloud, using various connectivity/security technologies.

The trust has existing access a bespoke scheduling and waiting list platform called PRISM, which has been used by QE Cardiology and Respiratory for more than 10 years, thus an upgrade to a new system is required.

The solution should address the requirements described in the associated document:

Annex 1 Feedback on Requirements.xlsx

This exercise is intended to provide potential bidders with the opportunity to review the Authority's Briefing Document and to provide information regarding the services they can offer that could meet these outline requirements. This builds on the Authority's commitment to engage with the market, by sharing information and seeking input from the market to enable us to develop the final specification and determine the appropriate route to market in a fair and transparent manner.

Suppliers who are able to offer solutions relevant to this requirement are invited to express an interest and respond to a market engagement questionnaire. Further details on how to do this are contained within the additional information section of this notice.

II.2.14) Additional information

Suppliers wishing to participate in this market engagement exercise and express an interest in this requirement should respond to the questionnaire via the online form on the Bravo Portal by 13:00 on 24th August 2022
