Description

The Department for Business and Trade (DBT) intends to procure data license subscriptions from PitchBook and award the contract to them. This contract will ensure that our teams have access to comprehensive global market analysis, as well as detailed information on UK companies. This unique service is invaluable for our UK and overseas sector teams, as well as our central investment function teams.

PitchBook is a financial data and software company specialising in providing detailed information on private and public markets, including venture capital, private equity, and mergers and acquisitions.
