The provision will enable carers to have access to planned replacement care and will also be available to use on an unplanned, emergency basis. The provision will enable carers to have access to planned replacement care, and on an unplanned, emergency basis: • Planned Replacement Care - A short term / temporary placement to give the carer a break from their caring role (a period of respite), as far as is possible on dates of their choosing e.g., for a family holiday. Planned replacement care

could be booked up to four weeks in advance. • Emergency Replacement Care - A short term / temporary placement that is required urgently to cover such eventualities as risk of the individual remaining in their own home or breakdown of a home care package or a change in the person's needs or carer breakdown. The Council is looking to access 30 – 35 residential replacement care beds for older people at multiple locations across the County. The intention is to ensure beds are available in each of Worcestershire's six District Council areas. Beds will be purchased on a spot basis from the DPS. Providers must be registered with CQC for providing 'Accommodation for persons requiring nursing or personal care', and /or 'Treatment of disease, disorder or injury'; and rated "Requires Improvement" or higher by the tender closing date.
