**II.1.4) Short description**

Maritime Maintenance, Repair & Overhaul. The Marine Systems Support (MSS) Team, which is part of the ships operating centre within Defence Equipment & Support (DES) provides global support to the Royal Navy. MSS is setting up a Framework agreement to provide Maintenance, Repair & Overhaul services to Royal Naval Platforms. MSS is looking for suppliers to populate this Framework agreement in order that all Maintenance, Repair & Overhaul services for the Marine Systems can be purchased through this set of suppliers. The successful suppliers will be responsible for the provision of Maintenance, Repair & Overhaul services for defined packages of work. There is a possibility that during the life of the proposed contract that the size of HM Naval Fleet may increase or decrease. The support contract will take the form of a Framework arrangement with specific tasking/call out orders. The Contract will be awarded under DSPCR 2011 regulations.
