The successful Supplier will be required to provide catering services for Stowe Valley MAT. The catering service provision is currently managed by Educaterer and in-house. To ensure that best value principles are applied the Governors and Senior Leaders of the MAT have decided to tender the catering services. School's Vision & Ethos Stowe Valley Multi Academy Trust. Founded in 2017, our Trust consists of 6 primary schools and 3 secondary schools. We have one Ofsted outstanding school (September 2021), 7 good schools and one requiring improvement school (June 2017). Our self-evaluation evidence supported by Warwickshire Local Authority now categorises this as a Good school. We also have a SEND resource provision base in one of our primary schools and nursery provision in all other primary schools apart from Southam Primary. Each of our schools has improved since becoming part of the Trust and we have many areas of outstanding practice which we are happy to share. We employ 550 staff and educate over 4500 children across our schools throughout Warwickshire and Northamptonshire. Our aim is to be outstanding in every area of our educational provision so that our students are kind, confident and resilient learners, learners who can make positive contributions to society in the future. We foster a 'can do' culture and have the highest aspirations for staff and students and really believe that by 'being the best you can be' anything is possible! For our staff we aim to create an environment where they feel supported and challenged and where they can thrive as highly skilled practitioners. In our Trust we value the contribution of every colleague and aim to develop a sense of professional curiosity which will allow staff to develop their practice and excel.
