At Flagship Group, our purpose is to provide homes and sustainable communities. We build homes, let, improve, and maintain them. We don't simply want to make a difference to our tenants and their communities – we want to solve the housing crisis too.

Flagship Group has over 32,000 homes and is financially strong. We're structured in a way that allows us to have the biggest impact towards solving the housing crisis. Our Group is made up of housing, repairs, and gas subsidiaries, along with our own homelessness charity. We call it a federated structure.

We are determined to keep improving performance, providing more value for our customers, and growing our business, all underpinned by a culture of learning and continuous improvement.

Flagship Group is seeking Internal Audit suppliers to work with our Governance, Audit & Risk Committee over a potential five year term in producing an internal audit plan and to carry out the agreed audits to provide assurance in respect of Flagship's internal controls and risk management framework.
