FW096 Permanent Way Works Delivery

II.1.2) Main CPV code

- 45234100 - Railway construction works

II.1.3) Type of contract

Works

II.1.4) Short description

Translink is responsible for both maintenance and capital works to infrastructure on the Northern Ireland Railways (NIR) network. Translink wish to establish a long-term Permanent Way Works Delivery framework and would like to invite expressions of interest from suppliers with a proven record in the delivery of permanent way work. If this is of interest please contact chris.clarke@translink.co.uk

II.1.5) Estimated total value

Value excluding VAT: £50,000,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.3) Place of performance

NUTS codes

- UKN0 - Northern Ireland

II.2.4) Description of the procurement

The scope for the Framework will be the delivery of Permanent Way work across a wide range of work types, including the following:

- Planned and reactive maintenance, refurbishment and minor renewals activity to the Permanent Way
- Minor works to associated assets including civils, structures, signalling and telecoms
- Supply of safety-critical staff, labour, plant and safe systems of work
- Site clearance and vegetation management
- Intrusive and non-intrusive surveys and inspections
- Installation or repairs to fencing or signage
- Supply of plant, materials and equipment
- Resurfacing works
- Minor design work in relation to Permanent Way
- Embedding of staff within the Client's organisation

Note - a separate framework focused primarily on larger Permanent Way project delivery (FW097) is also being procured.

Key Features / Requirements

- Suppliers will be required to maintain an excellent standard of health, safety and environmental performance through proactive leadership and assurance

- Suppliers will be required to deliver value for money, including a Framework requirement to demonstrate both benchmarking and efficiencies over the life of the Framework
- Delivery of work in possessions, blockades and over bank holiday / Christmas periods are anticipated
- Suppliers will be required to deliver against social value targets to deliver a positive lasting legacy for the rail industry in Northern Ireland.
- Suppliers will be expected to undertake a range of framework-management activities including regular reporting, forecasting of spend and resource requirements and attendance at framework-level meetings
- Supplier performance will be monitored using contract performance measures (CPMs) at both project and framework-level, with a range of performance mechanisms utilised to incentivise positive performance

II.3) Estimated date of publication of contract notice

30 September 2022
