II.1.4) Short description

West Midlands Fire and Rescue Authority ("the Authority") has conducted this procurement using the Open Procedure in accordance with the requirements of the Public Contracts

Regulations 2015 for the purpose of procuring the Goods described in the Specifications.

This Framework Agreement is for the supply of Smoke Alarms and Associated Products to include but not limited to smoke alarms, interlinked smoke alarms, vibrating pads and strobes for the hearing impaired, carbon monoxide and heat alarms and a customer support service.

The framework is designed to meet the needs of UK Fire and Rescue Services for use in residential premises. Through the establishment of this framework agreement all UK FRS's will have the capability to place direct call off orders with the winning suppliers for these products. A directory listing potential Fire and Rescue Service customers can be located on the National Fire Chiefs Council (NFCC) homepage.
