Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Rail Station Enhancement Programme

Reference number

NEPO212 Construction & Engineering Consultancy Services -
STK001-DN548195-44986506

II.1.2) Main CPV code

- 60200000 - Railway transport services

II.1.3) Type of contract

Services

II.1.4) Short description

Multi-Disciplinary Transport and Civil Engineering related Service for a period of up to 2

years and 9 months from 12 July 2021 to April 2024 with the potential for the option to extend, depending upon those projects identified for delivery and the amount of further development work needed.

Consultancy to develop an investment programme covering all our rail stations (Tees Valley). This is to ensure all stations meet a range of minimum desirable standards, fulfil the expectations of passengers and also crucially so they can cater for predicted future growth in service levels. Consultancy is required to advise on any gaps in provision to help develop an initial Order of Magnitude cost for a programme of interventions and following consideration, and potentially prioritisation, produce a fully costed programme and delivery plan as a second phase of work.

II.1.6) Information about lots

This contract is divided into lots: No

II.1.7) Total value of the procurement (excluding VAT)

Value excluding VAT: £223,200

II.2) Description

II.2.3) Place of performance

NUTS codes

- UKC1 - Tees Valley and Durham

II.2.4) Description of the procurement

Multi-Disciplinary Transport and Civil Engineering related Service for a period of up to 2 years and 9 months from 12 July 2021 to April 2024 with the potential for the option to extend, depending upon those projects identified for delivery and the amount of further development work needed.

Consultancy to develop an investment programme covering all our rail stations (Tees Valley). This is to ensure all stations meet a range of minimum desirable standards, fulfil the expectations of passengers and also crucially so they can cater for predicted future growth in service levels. Consultancy is required to advise on any gaps in provision to help develop an initial Order of Magnitude cost for a programme of interventions and following consideration, and potentially prioritisation, produce a fully costed programme and delivery plan as a second phase of work.
