- UKJ32 - Southampton

II.2.4) Description of the procurement

NHS Hampshire and Isle of Wight Integrated Care Board (ICB) commissions the Falls Exercise Service to provide exercise intervention to all individuals who are at risk of falling, or who have had a fall. Patients that have fallen will have received a Comprehensive Falls Assessment (CFA) carried out by the Community Independence Service (CIS). The service includes:

- Support and arrangements for those that need transport to and from the venues
- An opportunity for participants to socialise with others
- A tailored offer for the needs of Southampton residents, both in terms of their geography, levels of ability, using appropriate referral mechanisms with existing agencies.
- Supported to achieve the NICE recommendations for exercise to prevent falls
- Robust measures to capture improvements in strength balance and wellbeing.
- Follow up with participants at 3, 6 and 12 months intervals to measure progression and levels of those still exercising.

The current service has been reviewed with the recommendation of extending the arrangements with the current provider via PSR direct award process c. The ICB intends to award a new 9 month contract to the incumbent provider, Saints Foundation, at a value of £91,125. The new contract will run from 1st October 2024 to 30th June 2025.

II.2.5) Award criteria

Quality criterion - Name: The existing provider is satisfying the original contract and will likely satisfy the proposed contract to a sufficient standard / Weighting: 100

Price - Weighting: 0

II.2.11) Information about options

Options: No

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

This is a Provider Selection Regime (PSR) intention to award notice. The awarding of this contract is subject to the Health Care Services (Provider Selection Regime) Regulations 2023. For the avoidance of doubt, the provisions of the Public Contracts Regulations 2015 do not apply to this award. The standstill period begins on the day after the publication of this notice. Representations by providers must be made to the relevant authority by 30th July 2024. This contract has not yet formally been awarded; this notice serves as an intention to award under the PSR

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No

The contractor is an SME

Yes

V.2.4) Information on value of contract/lot (excluding VAT)

Initial estimated total value of the contract/lot: £91,125

Total value of the contract/lot: £91,125

Section VI. Complementary information

VI.3) Additional information

This is a Provider Selection Regime (PSR) intention to award notice. The awarding of this contract is subject to the Health Care Services (Provider Selection Regime) Regulations 2023. For the avoidance of doubt, the provisions of the Public Contracts Regulations 2015 do not apply to this award. The standstill period begins on the day after the publication of

this notice. Representations by providers must be made to decision makers by 30th July 2024. This contract has not yet formally been awarded; this notice serves as an intention to award under the PSR.

Written representations should be sent to: Emily.Harwood@soeprocurement.nhs.uk

The decision was approved by members of the following ICB boards/committees:

Southampton SMT

HIOW ICB Spending Control Group

HIOW ICB Procurement Group

No conflicts of interest were declared by those individuals making the decision.

In reviewing the Key Criteria, the ICB considered the following to be the most important:-

- Value
- Integration, collaboration and service sustainability
- Improving access, reducing health inequalities and facilitating choice

This was followed by quality and innovation and social value, which were deemed to be equally important. This is because the nature of the service is to reduce health inequalities for those who are more likely to fall i.e. those living in deprived areas and with other health conditions. The Basic Selection Criteria have been assessed via a Due Diligence process undertaken with the provider.

VI.4) Procedures for review
