II.1.4) Short description

Aberdeenshire Council on behalf of the Aberdeenshire Health and Social Care Partnership require to tender for a Multi-Supplier Framework Agreement for the provision of Support at Home Services for people who meet eligibility criteria aged 16 years and over with a range of needs, who require assistance through support to live independently and to develop, regain or retain their daily living skills, through provision of personal care, personal support and/or housing support, providing the right care and support in the right place. The requirement is for the provision of support at home services in supported accommodation. Support will include personal care, housing support, and social care. The services will be provided to adults with moderate, substantial and critical levels of need linked to eligibility criteria that are principal house-holders in tenancies in a range of settings that include dispersed single occupancy properties; shared tenancies; houses of multiple occupation; and core and cluster, project-based and extra-care model resources.

There is a requirement for low level visiting support for over 2000 adults in the community. The commissioned Support at Home service works alongside Aberdeenshire Council's in-house Care at Home service to support the needs of individuals assessed as requiring services to continue to live as independently as possible in their own homes. Support at home services will be registered with the Care Inspectorate as Support Services – Care at Home and/or Housing Support Services; and compliance with Health and Social Care Standards is required.

Services will be commissioned under flexible and responsive, co-produced contractual arrangements that are outcome-focused.

II.2.4) Description of the procurement

Aberdeenshire Council on behalf of the Aberdeenshire Health and Social Care Partnership require to tender for a Multi-Supplier Framework Agreement for the provision of Support at Home Services for people who meet eligibility criteria aged 16 years and over with a range of needs, who require assistance through support to live independently and to develop, regain or retain their daily living skills, through provision of personal care, personal support and/or housing support, providing the right care and support in the right place. This procurement seeks to support strategic commissioning that delivers effective and efficient services that respond to increasing demand, reducing budgets and demographic and policy changes. Services will be commissioned under flexible and responsive, co-produced contractual arrangements that are outcome-focused. Support at home services will be registered with the Care Inspectorate as Support Services – Care at Home and/or Housing Support Services; and compliance with Health and Social Care Standards is required.

The Services will be delivered with an enabling ethos to enable people to establish, remain

in, or return to, their own homes, living as independently as possible and to achieve and maintain or increase their potential in relation to physical, intellectual, emotional and social capacity, whilst improving experiences within their own communities and supporting improvement to their quality of life, confidence and experiences.

The services will be provided for people with a range of needs including, older people, people with a learning disability, people with mental health problems, people with physical disabilities, autistic people, people with sensory impairment and people with substance misuse problems.

The service will include low level visiting support for whom the primary client group is older people; and intensive support to adults in designated accommodation-based support services for whom the primary client group is adults with learning disabilities.

Providers will be encouraged to offer innovative and alternative ways of supporting people to achieve individual outcomes through affordable and effective service delivery mechanisms, and where appropriate the use of technological interventions.
