II.2.4) Description of the procurement

Purchase of professional, live events and theatrical sound and video equipment.

Both the venues we are buying for are multi-functional and able to cope with multiple formats, so it is important that all equipment be able to withstand the rigours of being rigged and derigged and provide a wide range of functionality to different sized events when in use.

We are looking for equipment that would be capable of covering events across genres including theatre, contemporary dance, live music and conferencing.

Equipment should have low environmental impact across the supply chain, have good aftersales product support and servicing options.

For visuals we are primarily looking at projectors and projection screens.

For Audio we are a D&B house in our main venue (Brighton Dome, Concert Hall) and would look for equipment that is cross compatible with this. We are looking speakers etc. and control surfaces.

An ideal kit list would be:

VISUAL

1 x Panasonic MZ10KLB Laser Projector with flying kit/frame

1 x 16' Fastfold Screen (16:9 aspect ratio) with front and rear surfaces, legs, case and hanging brackets and steels.

1 x 12' Fastfold Screen (16:9 aspect ratio) with front surface only, legs, case and hanging brackets and steels.

Signal conversion hardware

2x mini-Mac set up with Qlab, keyboard, mouse and monitor.

Section VI. Complementary information

VI.3) Additional information

Due to the age of our buildings (around 200 years old), even with the renovations some restrictions of weight remain so this should be taken into consideration upon tender.

Those invited to tender will be requested to supply details on warranties, delivery costs, initial set up, training and ongoing support.

It will be essential that suppliers demonstrate no conflicts of interest.
