#### **II.1.4) Short description**

The university requires the services of consultancies and services providers from to time to time for a range of financial and business services. These may include analysis of financial products, for example for a DBFO consideration; reviews of business cases; reviews of project outcomes; international in-country student recruitment services; marketing; business advice and support to students; etc. The requirements can be varied in both length, value and the type of support or assistance required. In recognition of this

diverse and varied requirement the University is establishing a Dynamic Purchasing System (DPS) to establish a competitive route to obtain these services as and when required. The DPS will consist of 4 lots covering the anticipated range of services.

There will be 4 Lots on this DPS:

1. Business
2. Finance
3. International
4. Business advice to students and graduates

This DPS opportunity can be accessed by registering (or logging in if you already have an account) at:
