General public services

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

NHDC 202208-01A- Market Consultation for Tree Maintenance

II.1.2) Main CPV code

- 77211500 - Tree-maintenance services

II.1.3) Type of contract

Services

II.1.4) Short description

North Hertfordshire District Council manages and maintains over 20,000 trees located within the four main towns of Letchworth, Hitchin, Baldock, Royston and some in the surrounding villages. They are situated on the highways, on amenity land, in cemeteries, car parks and woodlands. The Council's Tree Maintenance Strategy aims to establish a tree population that has a wide age range and diverse species mix, conduct maintenance and conservation work of trees; and improve the safety of trees. Maintenance works may be routine, arise from customer enquiries, or from our independent tree surveys or emergencies. The Council has no in-house maintenance operation so the service must be contracted out to external suppliers.

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 77211500 - Tree-maintenance services
- 77341000 - Tree pruning
- 77211400 - Tree-cutting services
- 77200000 - Forestry services
- 77340000 - Tree pruning and hedge trimming

- 77211300 - Tree-clearing services

II.2.3) Place of performance

NUTS codes

- UKH23 - Hertfordshire

II.2.4) Description of the procurement

North Herts Council (the 'Council'), before potentially conducting a formal procurement procedure, is seeking to conduct a market consultation with a view to preparing the procurement and informing potential economic operators of the Council's procurement plans and requirements for Tree Maintenance services. The Council wishes to seek advice from market participants which may be used in the planning and conduct of any future procurement procedure. The Council manages and maintains over 20,000 trees located within the four main towns of Letchworth, Hitchin, Baldock, Royston and some in the surrounding villages. They are situated on the highways, on amenity land, in cemeteries, car parks and woodlands. The Council's Tree Maintenance Strategy aims to establish a tree population that has a wide age range and diverse species mix, conduct maintenance and conservation work of trees; and improve the safety of trees. Maintenance works may be routine, arise from customer enquiries, or from our independent tree surveys or emergencies. The Council has no in-house maintenance operation so the service must be contracted out to external suppliers. The Council believes that this contract has the potential of delivering benefits under the Social Value Act 2012 and invites comments and suggestions on how this can be achieved. A Pre-Market Engagement Questionnaire is available and we would be grateful if suppliers contact Andrew Mills at Andrew.mills@north-herts.gov.uk in the first instance. Please note that any suggestions received after 15th September 2022 will not be considered. For the avoidance of doubt, this Prior Information Notice is not part of any formal procurement process and in no way commits the Council to undertake said procurement process. Any advice from participants shall not have the effect of distorting the market or violating the principles of non-discrimination and transparency. Any participation or non-participation in this market consultation shall not have the effect of placing any supplier at any disadvantage. Any participation is at the economic operator's own expense and shall not be reimbursed by the Council. Further information may be obtained from the individual mentioned in this Prior information Notice.

II.3) Estimated date of publication of contract notice

3 October 2022

Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No
