I.4) Type of the contracting authority

Body governed by public law

I.5) Main activity

Other activity

Public Sector Framework Provider

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Consultancy Services

Reference number

CS1

II.1.2) Main CPV code

- 71310000 - Consultative engineering and construction services

II.1.3) Type of contract

Services

II.1.4) Short description

This opportunity has been listed by LHC on behalf of:

Welsh Procurement Alliance (WPA)

Scottish Procurement Alliance (SPA)

South-West Procurement Alliance (SWPA)

Consortium Procurement Construction (CPC)

LHC

This procurement exercise is to establish a replacement to our successful H1 WS1 Housing Consultancy Framework.

Building on our existing H1 framework, with CS1 we are expanding the scope to include a wider range of consultancy services to offer our clients.

The framework is broken down into 4 workstreams which are:

Professional Consultancy,

Mechanical, Electrical and Plumbing Consultancy,

Asset Management Consultancy,
Environmental Consultancy.

Bidders should note that the lots contained within Workstream 1 – Professional Services (Lots 1 to 15) are only available for the geographical areas of Scotland, South-West England, and Wales. This is because LHC already have a consultancy framework in place which covers a similar scope to that of Workstream 1 – Professional Services that is available within our North and Central England and London and South East England regional areas. Please refer to the ITT document for further details

II.1.6) Information about lots

This contract is divided into lots: Yes

Tenders may be submitted for all lots

II.2) Description

II.2.1) Title

EPC Assessments

Lot No

18

II.2.2) Additional CPV code(s)

- 71314000 - Energy and related services
- 71314200 - Energy-management services
- 71314300 - Energy-efficiency consultancy services

II.2.3) Place of performance

NUTS codes

- UKL - Wales

II.2.4) Description of the procurement

The scope of this lot is primarily focused on the provision of providing energy performance certificates (EPC), display energy certificates (dec) and advice for LHC Clients domestic and non-domestic buildings.

Interested parties should be aware that in order to bid for this lot you will be required to evidence you have individuals within your organisation with the following qualifications:

Bidders to be Domestic Energy Assessor (DEA) certified for domestic and Non-Domestic Energy Assessor (NDEA) certified for non-domestic. Registration with government departments according to current legislation such as the Department for Communities and Local Government (DCLG).

Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.2) Economic and financial standing

List and brief description of selection criteria

There is no minimum turnover requirement set for this framework, however LHC will conduct a financial assessment. This assessment will allow LHC to carry out a robust assessment of a Bidders' financial standing.

The assessment will have 2 stages:

- 1) Credit score – LHC will use Creditsafe to carry out initial checking of a Bidders' financial status.
- 2) Profitability, Stability and Liquidity Assessment – Bidders will be assessed on their financial stability based on a range of financial information obtained from the Bidders annual accounts.

Bidders will be required to have the minimum levels of insurance listed below to be considered eligible for this framework.

Employers (Compulsory) Liability Insurance: 5,000,000 GBP

Public Liability Insurance: 5,000,000 GBP

Professional Indemnity Insurance: 2,000,000 GBP

III.2) Conditions related to the contract

III.2.2) Contract performance conditions

As part of it's monitoring of the performance of projects delivered through this framework, following completion of each project

LHC/WPA will require the relevant appointed company to provide project performance data based on a standardised set of key performance metrics.

III.2.3) Information about staff responsible for the performance of the contract

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract

Date

13 October 2022

Local time

12:00pm

IV.2.4) Languages in which tenders or requests to participate may be submitted

English

IV.2.7) Conditions for opening of tenders

Date

13 October 2022

Local time

12:30pm

Section VI. Complementary information

VI.1) Information about recurrence

This is a recurrent procurement: No

VI.3) Additional information

LHC is a joint committee of local authorities acting as a central purchasing body on behalf of Welsh Procurement Alliance. Thanks to their

ongoing and collective feedback and input into the development of this framework and given the reach and scale of their portfolio, the

framework is both designed and anticipated to support the vast majority of requirements. Consequently, other contracting authorities that were not specifically consulted in the development of this framework may nevertheless also deem the framework to offer a value for money procurement solution for their own requirements and may also use the framework.

As of the date of publication of this notice our frameworks may be used by all contracting authorities in Wales as defined by the Public

Contracts Regulations 2015 and as listed on <https://www.welshprocurement.cymru/who-we-work-with/>, including, but not limited to Registered social landlords (RSL's), tenant management organisations (TMOs) and arm's length management organisations (ALMOs), local authorities and any subsidiaries and joint-venture vehicles of those local authorities, health authorities, councils, boards and trusts, publicly funded schools, universities and further education establishments, colleges, police forces, fire and rescue services or registered charities.

Bidders must beware that LHC clients may add community benefit requirements in their call-off contracts from this Framework including but not limited to:

- to generate employment and training opportunities for priority groups;
- vocational training;
- to up-skill the existing workforce;

- equality and diversity initiatives;
- to make sub-contracting opportunities available to SMEs, the third sector and supported businesses;
- supply-chain development activity;
- to build capacity in community organisations;
- educational support initiatives.

Please use the following link to access the tender on LHC's eTendering portal.
