Section II: Object

II.1) Scope of the procurement

II.1.1) Title

RMG Framework: Quantity Surveying & Contract Administration, Project Management & Principal Designer Services

Reference number

RMG/0133

II.1.2) Main CPV code

- 92521000 - Museum services

II.1.3) Type of contract

Services

II.1.4) Short description

RMG is seeking quantity surveying and contract administration, project management and Principal Designer (CDM) services to support the delivery of a programme of exhibition and refurbishment projects across the Royal Observatory Greenwich, National Maritime Museum, Queen's House and Cutty Sark over the next few years. Projects will include (but not be limited to) feasibility studies and projects from RIBA Stages 1 - 7, including smaller temporary displays, larger temporary exhibitions, new permanent galleries and refurbishment of spaces in historic buildings. Project fit-out budgets will vary depending on the size and nature of the project, but could range from £30,000 to £2m+. Knowledge and experience of base build / infrastructure as well as exhibition fit-out will be required. Demonstrable experience of working with museum and heritage clients will be required.

This Framework will be procured in Lots and all procurement will be via the Delta eSourcing portal.

Text

Quantity surveying and contract administration services to support the range of exhibition and refurbishment projects across RMG sites outlined elsewhere in this Prior Information Notice. Consultants will be required to estimate project costs from the initiation through to delivery of projects, including pre-tender estimates; lead value engineering exercises, advise on market volatility and work with RMG to achieve best value on projects; contribute to feasibility exercises; advise RMG on types of contracts to be used for particular projects, including methods of procurement; administrate these contracts throughout the life of the projects. Contracts will either be from the JCT suite of contracts, the NEC suite of contracts, or using RMG's own templates (the latter will be for smaller projects only).
